Dear Brenn and Sylina,

Thank you for being a part of the 2018 Draft Horse Classic. Our goal for the stage was to bring in top notch entertainment that would draw folks and send them away with a new excitement about this event. Brenn was the perfect fit and accomplished all of that and more.

The crowd thoroughly enjoyed your performance and you made Saturday afternoon at the Pine Tree Stage a real treat for all.

We appreciated your graciousness around the rustic nature of our venue and your kind and thoughtful nature. It was such a pleasure to have you and I hope that there are future ventures where you can entertain at our Nevada County Fairgrounds!

Hoping your 5 day journey was uneventful and smooth with supportive crowds.

All the best,
