Dear Brenn,

The 139th Annual Meeting of the Colorado Cattlemen's Association was a great success! One of the highlights of the convention was your performance after the steak dinner on Tuesday evening. We heard numerous comments on your outstanding show!

Brenn, you seem to have a unique talent that allows you to write songs that ranchers can identify with. Songs that are simple, pure, and honest...and in this era of prepackaged superstars, you were like a breath of fresh air!

I hope you will have the opportunity to entertain all of the cattlemen's associations in the nation in the future...they will certainly be the winners! Best wishes for continued success.

Sincerely,

Jan Ammon
