RE: Brenn Hill

Dear Brian,

I apologize for not getting to this sooner but need to let you know what a tremendous success Brenn Hill was at our National Association of Educational Buyers (NAEB) annual meeting in May. We had professional purchasing agents from universities all over the country. Brenn blew their socks off. I heard nothing but raves about his music; voice, looks, melody, lyrics, and backup group. Brenn Hill has it all going for him.

NAEB had two people interviewing attendees. I caught one of them at the elevator on their way out and asked them what kind of reaction they were getting. They said they had not received even one negative comment and that Brenn Hill was awesome. We had attendees that had been to every annual meeting for 20 years tell us that this was the best one they had ever been to and the entertainment was top notch. Several people asked me where I found him. I told them I heard him at the Cowboy Poetry Show in Heber, Utah and just had to have him for our event.

The most gratifying thing for me was my boss was so impressed by Brenn's talent that he had several snapshots taken with him and made the comment when he had Brenn autograph a photo that "This is going to worth some money some day". Everyone here thinks that Brenn has it all and will be big some day. I hope it's soon because he is soooo talented and is just a really nice person too. He was accessible to anyone who wanted to talk to him offstage and was really down to earth and genuine.

Thank you, Brenn, for making our event such a huge success! I hope I get the opportunity to book you again some day and would love to recommend you to anyone.

Sincerely,
