Dear Brian:

I wanted to take a moment and let you know how much we enjoyed having Mr. Brenn Hill perform at our 2006 Utah FFA Association State Convention.

You were a pleasure to work with in preparing for the event. Since this was the first professional performance of Brenn's level we have had at our convention I was especially worried about the preparations and staging. You made certain we had all of the staging and equipment requirements clearly and provided them to us early and in simple format.

Brenn was also a real pleasure to work with. He was warm and personable with myself and my students and extremely helpful and professional with the stage crew. I especially appreciated how easy he was to work with and accommodate.

The audience loved his performance. His talent is outstanding and enjoyable. Brenn's music seemed to appeal to our high school students and our adult attendees equally well.

Thank you to both of you for working with us and for helping to make our convention successful.
