Dear Brian:

I am writing in appreciation of the work of BRENN HILL with the Reno Philharmonic last month.

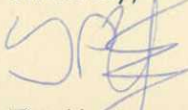

As you know, Brenn performed with the orchestra as a part of our fundraising Gala "Rhythm & Rawhide".

From the moment Brenn appeared on stage he won over the audience with his musicianship and self-deprecating humor. He had a relaxed and confident stage presence and the orchestra charts (by Sam Cardon) were an excellent accompaniment for Brenn's solo vocal and guitar.

Overall there was a freshness and enthusiasm about his performance that completely charmed the audience and orchestra.

I am delighted to recommend Brenn to any orchestra, he is an outstanding performer.

Sincerely,

Tim Young  
Executive Director
